Good Afternoon –

Sorry about the short notice, but MDEQ has asked if we could get together and talk about Columbia Falls Aluminum Company's MPDES permit before the Holidays. MDEQ needs to issue CFAC's MPDES permit in the near future and they would like to discuss some of the permitting issues, potential Superfund implications, etc.

This proposed time works best for MDEQ and it looks like it works for most of us. We can use my call in number.
